To  
The Recognised AWOs/SPCAs of AWBI

Sir/Madam,

You are aware that a Natural Calamity in the form of flood has struck the State of Uttarakhand recently. Thousands of animals have been killed and thousands of animals which have survived the Calamity are suffering for want of food, medicines and medical care.

There is an urgent need to help the affected animals by providing emergency relief, medical care and food. The Animal welfare Board of India therefore requests the AWOs/SPCAs to volunteer to do relief work in Uttarakhand to provide emergency relief to the distressed animals. The AWOs can apply for Natural Calamity grant from the AWBI.
